

FISCAL NOTE

HB 200

February 22, 2001

SUMMARY OF BILL: Allows physicians to administer chelation therapy until February 1, 2001. Prohibits the Board of Medical Examiners from promulgating rules on chelation therapy until they conduct a study of the utilization of chelation therapy and submit a report to the General Assembly.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Assumes that the study required is not a clinical study and can be conducted utilizing existing resources within the Department of Health.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James A. Davenport". The signature is fluid and cursive, with a large, stylized initial 'J'.
